

Yellowstone Conference Per-Member Askings

The Yellowstone Conference asks for an extra \$8 contribution from each member of our churches to help support ministries within the conference.

Per-Member Askings are not a part of our apportionments.

What is a "Per Member Asking"?

These five ministries have been given special recognition by our Conference. Their work is critical to our call to evangelism, outreach, and justice. Because they are special, the Yellowstone Conference encourages our giving to these "voluntary askings" at \$1 or \$2 per member. While the giving is voluntary, their ministries **DEPEND ON** these funds to make a difference in the lives of men and women, children, youth and young adults in the name of the United Methodist Church in our communities.

We do this together!

These ministries are some of the ways that we fulfill the Yellowstone Conference primary task: *"We send leaders to serve disciples who offer the gospel to the world."* Your contributions assist conference ministries to follow their calling and make a real difference in the lives of the people whom we are called to serve.
